Electric Sprayers

Graco's Complete Line of Professional Electric Airless Sprayers

PROVEN QUALITY. LEADING TECHNOLOGY.

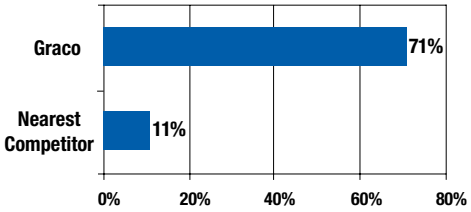
There is no other sprayer like a GRACO.

Welcome to a whole new world of paint application possibilities.

Graco manufactures the most extensive and highest quality professional line of painting solutions in the market. This informational guide is designed to help you select the right solutions for your painting needs.

According to Frost & Sullivan, "U.S. Painting Contractors overwhelmingly rate Graco as the best overall brand of spray equipment and is considered the ***'Overall Best'*** brand among all paint-related products." When it comes to making a choice, Graco is preferred 7 to 1 over the nearest competitive brand.

2008 Overall Best Brand of Spray Equipment



Frost & Sullivan, 2008 Paint Contractors Choice Award for Overall Best Brands

Most importantly, when choosing Graco, you can be assured that you are choosing the highest quality product in the industry. You can take pride in the fact that Graco products are designed, manufactured, and assembled right here in the United States of America. ***We do!***

MADE IN U.S.A.

The *G4* Difference… We Build It. We Back It. *Period.*

QUALITY | PERFORMANCE | WARRANTY | PRODUCTIVITY

Only Graco delivers the industry's first choice for electric airless sprayers, backed by a solid reputation for proven quality, maximum performance, reliable warranty coverage and unmatched on-the-job productivity. Graco sprayers are designed to exceed the professional painting contractor's standards for quality and performance. Graco is the name to turn to today and as your business grows.

PROVEN QUALITY

Precision design, 100% factory-tested and field-proven.

Cutting-edge technology keeps Graco sprayers up and running and on the job for years.

MAXIMUM PERFORMANCE

Higher output with superior control ensures highest quality finish for every job.

Rely on any of these high performance sprayers to deliver the results you expect from a Graco.

INDUSTRY LEADING WARRANTY

Every Graco electric sprayer is backed by our full warranty coverage and more than 80 years of proven commitment to the professional contractor.

Sprayers so reliable you may never need to use the warranty!

UNMATCHED PRODUCTIVITY

Exclusive Endurance Pumps deliver long life, reliable performance and consistent spraying.

The Endurance Advantage Program eliminates downtime by keeping a spare pump on hand for a quick change-out on the job.

Graco has the Right Solutions for all your

Graco offers the most extensive and highest performing line of electric airless sprayers. Graco sprayers are designed to get the job done faster, with the best results. Contractors can choose from the lightweight 390™ to the full featured Ultra® Max II line, up to the extreme-duty IronMan. No matter the job, Graco has the **Total Job *Solution*** for you.

"My Graco has reliability and quality that never let me down. I have owned five Graco airless sprayers that have all been problem-free and dependable. Other brands I've owned have not been as reliable."

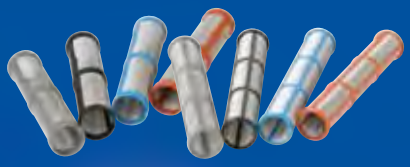
—Ken Green
Ken Green Painting
Los Alamitos, CA

SmartControl™ 2.0/WatchDog™

Graco's advanced ***SmartControl 2.0*** delivers a consistent spray fan without pressure fluctuation at all spraying pressures. Our ***Premium*** line of sprayers have the added benefit of a digital display with pressure readout, job/lifetime gallon counter, and self-diagnostics; and the ***WatchDog Pump Protection System*** which automatically shuts the sprayer down when the bucket is empty – extending the life of the pump.

MaxPower Motor

Graco's compact and powerful ***MaxPower Brushless DC Motors*** are designed specifically for painting applications. The totally-enclosed, fan-cooled design protects the internal components of the motor from dirt, dust and overspray – extending the life of the motor. But more importantly, the brushless design means that you will never need to replace brushes! No wonder Graco stands behind these motors with a lifetime warranty!



Easy Out™ Filter

The ***Easy Out Pump Filter*** is designed to filter from the inside out so filters won't get stuck or collapse when they are filled with dirt or debris. It's large filtering area reduces tip clogs and ensures a quality finish. Filter removes with the cap which means less mess.

QuikReel™

Introducing ***QuikReel***, Graco's latest solution to hose management. With QuikReel you can reel and unreel up to 300 feet of hose in seconds! The hose is connected so you're always ready to spray. In fact, it comes connected out of the box. With Graco's innovative QuikReel, you can get on and off the job site faster.

Endurance™ Pump

Graco's ***Endurance Pump*** is the most rugged and reliable pump on the market today. This field proven design with long-life ***V-Max Blue***™ packings, ***Chromex***™ rod and ***MaxLife***™ pump coatings delivers superior reliability and life.

ProConnect™

The ***ProConnect Pump Removal and Installation System*** allows you to replace your pump in seconds ***without any tools***! This revolutionary design keeps you pumping – saving you time and money.

FastFlush™

We did extensive research on how to decrease cleaning time and came to the following simple conclusion: ***to clean faster, you must run the pump faster.*** So that's what we did! The new ***FastFlush Cleaning System*** runs the motor at a higher speed which results in high flow and faster cleaning. It's that simple!

Advantage Drive™

The drive is the critical link between the motor and the pump. Graco doesn't leave the manufacturing of our ***Advantage DriveSystem*** to others, rather we design and manufacture them at our world-class manufacturing facility located in the United States. This allows us to control the quality of these hardened steel gears. You can find peace of mind knowing that you have the most durable, longest lasting drive in the industry and Graco stands behind it with a lifetime warranty.

Power, ***Durability*** and ***Capability*** is what makes this Graco sprayer an IronMan. From its oversized motor to its rugged, heavy-duty frame the **IronMan 300E** is built with extreme durability for the ***serious*** contractor who doesn't need all the extras but does demand ruggedness.

Increased Power

- Motor is oversized for increased performance and life

Roll Cage Frame

- "Indy Car" style roll cage protects all critical sprayer components from extreme jobsite abuse

Control Lock Theft Deterrent

- Allows the user to lock/disable the sprayer
- Protects the controls from jobsite abuse

Extreme-Duty Prime Valve

- Designed to hold up to high pressure dumps for the most extreme jobsite conditions

Flat-Proof Tires

- Nails, screws, blades cannot flatten these tires
- Pneumatic tire performance

Extreme-Duty MaxLife HD Pump

- Exclusive MaxLife sleeve and Chromex rod delivers unmatched durability and life
- Long pump design puts the intake in the material – resulting in consistent priming with even the thickest materials
- Oversized clearances ensure minimal pressure drop and increased performance

Crush-Proof Intake Screen

- Holds up to impacts which are common on the jobsite

WARRANTY

We stand behind every piece of equipment we manufacture with the industry's strongest warranty. Spray with the confidence that you will probably never need to use Graco's warranty, but if you do… we will be there.

NOBODY ELSE BUILDS SPRAYERS LIKE THIS

LIFETIME ELECTRIC MOTOR WARRANTY

If the motor fails from normal use, we'll replace it under warranty for the original owner for the life of the sprayer.

LIFETIME DRIVE TRAIN WARRANTY

If the drive train fails from normal use, we'll replace it under warranty for the original owner for the life of the sprayer.

30-DAY "JUST ADD PAINT" REPLACEMENT GUARANTEE

Dissatisfied? Simply return the sprayer to the place you bought it within 30 days. They'll either exchange it for an identical sprayer or you can trade-up to a larger sprayer at an additional cost.

3-YEAR WARRANTY

Coverage against defects in materials and workmanship on the entire sprayer.

DOWNTIME ELIMINATOR PROGRAM

Part needed for a warranty repair not in stock at your distributor? Get ***FREE*** next business day air freight delivery when distributor orders the part by 2 p.m. CST.

CONVENIENT SERVICE

Graco offers more than 5,500 authorized distributor locations in North America and over 700 locations to administer warranty repair.

ENDURANCE™ ADVANTAGE PROGRAM

A Solution to Keep You Spraying

Purchase any new Graco Electric Airless Sprayer and you can purchase an Endurance Pump for up to ***80% OFF*** the list price. Keep a spare pump on hand to save yourself time and money on every job. Follow the registration instructions included with your sprayer. No matter what your choice, you'll soon discover how quickly and easily the QuikChange™ and ProConnect lowers get you up and spraying.

- ✓ On the Job Replacement
- ✓ Quick and Easy Change
- ✓ No Special Tools Needed
- ✓ Less Down Time

ProConnect no-tools pump removal system makes swapping out the Endurance Pump fast and easy!

PROVEN QUALITY. LEADING TECHNOLOGY.

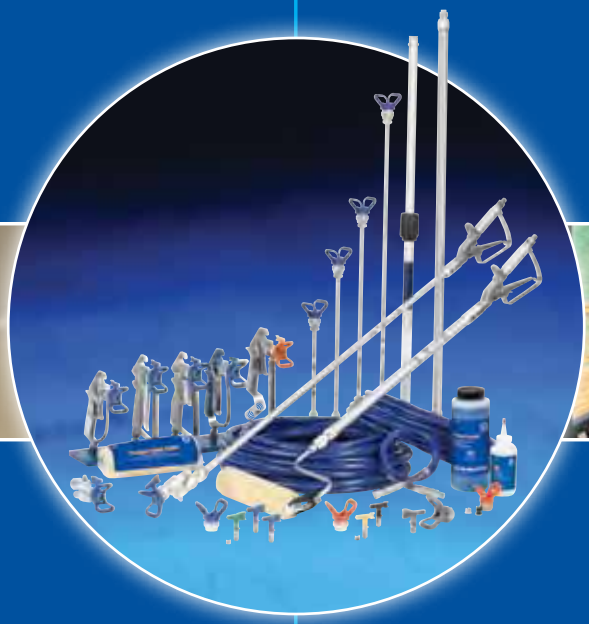
Essential tools for ***Maximum Productivity***

RAC X SwitchTip

The ***RAC X SwitchTip*** is a high-performance spray tip used for residential and commercial applications. With a large selection of tip sizes available we are sure to have one to fit your needs. RAC X provides the best fan pattern life and the highest quality finish. These Graco tips are the most widely used reversible spray tip on the market today!

Contractor/FTx Guns

Designed by Graco to be the longest-lasting guns on the market, the ***Contractor*** and ***FTx Guns*** continue to be the number one choice of painting contractors. With features like the FlexSeal Design, Easy Out Gun Filter and EasyGlide Swivel no wonder these are the contractors choice in guns!



BlueMax II Hose

To maximize performance, choose the high performance ***BlueMax II Airless Hose***. Lighter weight and increased hose flexibility improves usability while spraying under pressure. With superior flexibility and durability, BlueMax II is designed to ensure you get the best results from your airless sprayer.

Pump Armor™/TSL™

Maintaining your pump is essential for long life and reliability. Graco has made pump maintenance simple with our complete line of fluids. ***Pump Armor*** is a storage solution which protects your pump from the damaging effects of corrosion during storage. ***TSL (Throat Seal Liquid)*** prevents dried paint from accumulating on the pump rod – extending the life of the pump packings.

ABOUT GRACO

PROVEN QUALITY. LEADING TECHNOLOGY.

Founded in 1926, Graco is a world leader in fluid handling systems and components. Graco products move, measure, control, dispense and apply a wide range of fluids and viscous materials used in vehicle lubrication, commercial and industrial settings.

The company's success is based on its unwavering commitment to technical excellence, world-class manufacturing and unparalleled customer service. Working closely with qualified distributors, Graco offers systems, products and technology that set the quality standard in a wide range of fluid handling solutions. Graco provides equipment for spray finishing, protective coating, paint circulation, lubrication, and dispensing sealants and adhesives, along with power application equipment for the contractor industry. Graco's ongoing investment in fluid management and control will continue to provide innovative solutions to a diverse global market.
