

# Airless Spray Equipment

*TACKLE ANY JOB WITH CONFIDENCE!*

Featuring a full line of Airless  
Paint Sprayers, Heavy-Duty  
Pressure Washers, Texture Sprayers,  
and Accessories.

*For professional painters who demand quality and value.™*

## Why Airless Spray?

Airless spray is 10 times faster than brushing, and 4 times faster than traditional rolling. Airless spray provides even material coverage on all types of surfaces. You can spray most common coatings, including stains, latex, and oil-based paints. And best of all, airless spray saves you money!

Zip-Spray™ airless sprayers and Zip-Spray-n-Roll™ systems are designed to save time by increasing your productivity and reducing downtime. They are durable, perfect for rugged jobsite conditions. They are easy to operate and transport for convenience as you work. And you'll find that Zip-Spray airless sprayers still offer the innovation and value you've come to expect from ASM.

## Airless Equipment Selection Chart

	Highest Operating Pressure	Delivery Rating	Tip Size Supported	Recommended Annual Use	Typical Coatings	Ideal Users
<b>Zip-Spray ESP</b>	2800 psi (19.3 MPa, 193 bar)	.24 gpm (.91 lpm)	.015 in (.381 mm)	Roll: 1000 gal (3785 L) Spray: 175 gal (662 L)	Varnish, Enamels, Primers, Interior/Exterior Latex	Light-Duty
<b>Zip-Spray-n-Roll</b>	2800 psi (19.3 MPa, 193 bar)	.24 gpm (.91 lpm)	.015 in (.381 mm)	Roll: 1000 gal (3785 L) Spray: 175 gal (662 L)	Varnish, Enamels, Primers, Interior/Exterior Latex	Light-Duty
<b>Zip-Spray 1700</b>	3000 psi (20.7 MPa, 207 bar)	.31 gpm (1.17 lpm)	.017 in (.432 mm)	Roll: 1500 gal (5678 L) Spray: 300 gal (1135 L)	Varnish, Enamels, Primers, Interior/Exterior Latex	Medium-Duty
<b>Zip-Spray 1900</b>	3000 psi (20.7 MPa, 207 bar)	.38 gpm (1.44 lpm)	.019 in (.483 mm)	1000 gal (3785 L)	Varnish, Enamels, Primers, Interior/Exterior Latex	Heavy-Duty
<b>Zip-Spray 2300</b>	3300 psi (22.7 MPa, 227 bar)	.54 gpm (2.0 lpm)	.023 in (.584 mm)	1250 gal (4732 L)	Varnish, Enamels, Primers, Interior/Exterior Latex & Heavier Bodied Latex	Heavy-Duty
<b>Zip-Spray 2700</b>	3300 psi (22.7 MPa, 227 bar)	.86 gpm (3.25 lpm)	.027 in (.686 mm)	1500 gal (5678 L)	Varnish, Enamels, Primers, Interior/Exterior Latex & Heavier Bodied Latex	Pro-Duty
<b>Zip-Spray 3100</b>	3300 psi (22.7 MPa, 227 bar)	1.1 gpm (4.17 lpm)	.031 in (.787 mm)	1500 gal (5678 L)	Varnish, Enamels, Primers, Interior/Exterior Latex & Heavier Bodied Latex	Pro-Duty
<b>Zip-Spray 3400G</b>	3300 psi (22.7 MPa, 227 bar)	1.2 gpm (4.54 lpm)	.034 in (.864 mm)	1500 gal (5678 L)	Varnish, Enamels, Primers, Interior/Exterior Latex & Heavier Bodied Latex	Pro-Duty

## Zip-Spray ESP Light-Duty Electric Airless Sprayer

The Zip-Spray ESP offers convenience, durability, and value for tradesmen with occasional painting needs, homeowners, and do-it-yourselfers. Ideal for use with paint spraying and paint pressure rolling applications (pressure roller kit sold separately).

### Zip-Flush™ Cleaning

- Connect to a garden hose and clean the pump, hoses, and gun in minutes!

### Lightweight Design

- Portable and easy to store. Weighs only 13 lbs (5.9 kg)
- 4-legged stand is durable and stable

### Demand Delivery System

- Pump runs only when gun trigger is activated, reducing sprayer wear
- Draws from a 1 or 5 gallon container

### Simple Piston Design

- For reliable performance and long life

### Zip-Spray ESP 248772 (120V), 248850 (240V)

Max Working Pressure: 2800 psi (19.3 MPa, 19.3 bar)  
 Max Delivery Rating: .24 gpm (.91 lpm)  
 Max Tip Size: .015 in (.381 mm)  
 Max Hose Length: 150/300 ft (45.7/91.4 m) depending on tip size  
 Recommended annual use of 175 gallons (662 L)  
 Shipping Weight: 24 lbs (10.8 kg)  
 Extension Cord: 12 ga, Max Length: 50' (15.2 m)  
 Pump Repair Kit: 245078

#### Includes:

- ASM 200 Contractor Spray Gun with 4-finger trigger
- 515 Uni-Tip with Uni-Tip Hand-Tight Base
- 1/4 in x 25 ft (6.3 mm x 7.6 m), 3300 psi (22.7 MPa, 227 bar) airless paint hose
- Pump Life Protectant Fluid

## Zip-Spray-n-Roll Airless Sprayer and Pressure Roller System

Amazing versatility! Spray and roll with one user-friendly system.

### Zip-Roll Pressure Roller

- Simply pull the Combo Gun trigger to supply more paint – no more going to the paint bucket to refill
- Painted steel frame is corrosion-resistant for long life
- Easily disassembles for quick cleanup

### Professional Combo Gun

- Well-balanced and lightweight with a built-in swivel
- In-handle filter reduces paint clogging
- Add a Maxi Pole for extended reach to paint ceilings and overhangs

### Zip-Flush™ Cleaning

- Connect to a garden hose and clean the pump, hoses, and gun in minutes!

### Simple Piston Design

- For reliable performance and long life

### Zip-Spray-n-Roll 233792 (120V), 233953 (240V)

Max Working Pressure: 2800 psi (19.3 MPa, 19.3 bar)  
 Max Delivery Rating: .24 gpm (.91 lpm)  
 Max Tip Size: .015 in (.381 mm)  
 Max Hose Length: 150/300 ft (45.7/91.4 m) depending on tip size  
 Recommended annual use of 175 gallons (662 L)  
 Shipping Weight: 25 lbs (11.3 kg)  
 Extension Cord: 12 ga, Max Length: 50' (15.2 m)  
 Pump Repair Kit: 245078

#### Includes:

- Zip-Roll Pressure Roller Assembly with Combo Gun In-Line Valve
  - 413 Uni-Tip with Uni-Tip Hand-Tight Base
  - 1/4 in x 25 ft (6.3 mm x 7.6 m), 3300 psi (22.7 MPa, 227 bar) airless paint hose
  - Pump Life Protectant Fluid
- See page 16 for more Zip-Roll pressure roller covers

**Zip-Flush**

## Zip-Spray 1700 Medium-Duty Electric Airless Sprayer

The Zip-Spray 1700 is ideal for moderate spraying needs, including property maintenance, remodeling, and light commercial projects.

### Durable Piston Pump

- Stainless steel pump resists corrosion for long life
- Modular piston is removable for easy repair and replacement

### Easy to transport and store

- Rugged cart with fold-down handle and 75 ft (23 m) capacity hose rack is maneuverable and convenient to store
- Pail hook holds paint bucket for easy transport on job site and reduces spilling

### Zip-Flush™ Cleaning

- Connect to a garden hose and clean the pump, hoses, and gun in minutes!

### Zip-Spray 1700 233789 (120V)

Max Working Pressure: 3000 psi (20.7 MPa, 207 bar)  
 Max Delivery Rating: .31 gpm (1.17 lpm)  
 Max Tip Size: .017 in (.432 mm)  
 Max Hose Length: 150/300 ft (45.7/91.4 m) depending on tip size  
 Recommended annual use of 300 gallons (1135 L)  
 Shipping Weight: 47 lbs (21.3 kg)  
 Extension Cord: 12 ga, Max Length: 100' (30.5 m)  
 Pump Repair Kit: 245569

**Pump Repair Kit**

**Zip-Flush**

#### Includes:

- 300 Series Contractor Spray Gun with 4-finger trigger
- 515 Uni-Tip with Uni-Tip Hand-Tight Base
- 1/4 in x 50 ft (6.3 mm x 15.2 m), 3300 psi (22.7 MPa, 227 bar) airless paint hose
- Pump Life Protectant Fluid

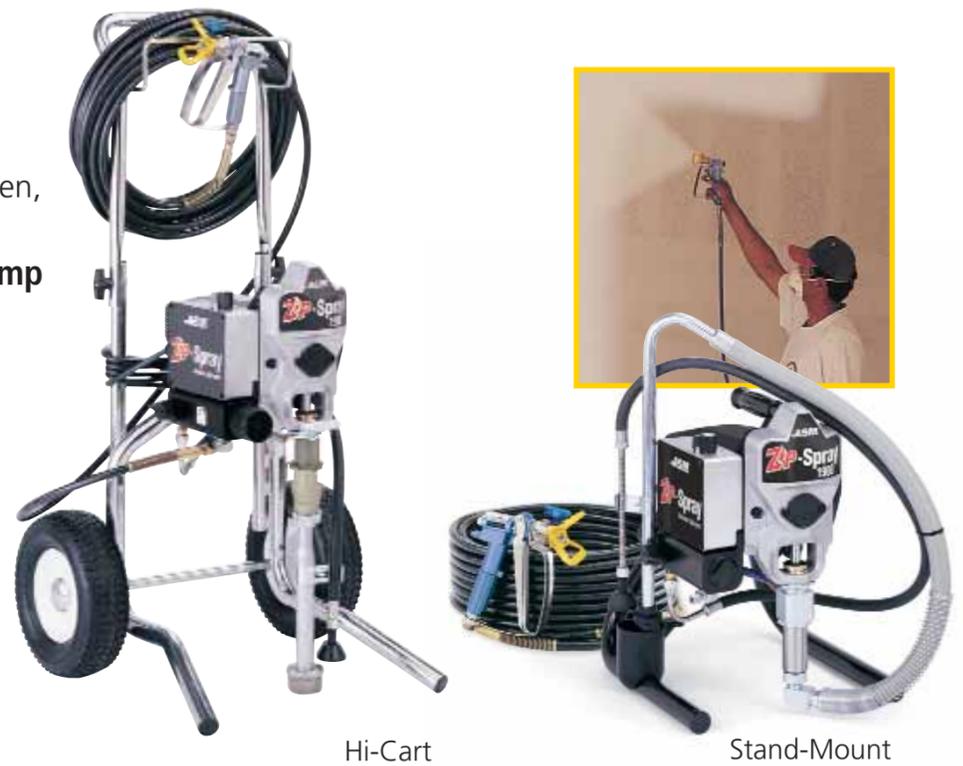

## Zip-Spray 1900 Heavy-Duty Electric Airless Sprayer

The Zip-Spray 1900 is great for contractors, property owners, handymen, and remodelers with frequent spraying needs.

### Industry-Proven Hardened Chrome and Stainless Steel Piston Pump

*Outlasts competitive pumps by 65%*

- Double-Acting — pumps paint on both the up and the down stroke for consistent delivery
- Long-Lasting Packings — Ultra high molecular weight polyethylene (UHMWPE) construction
- Wiper Ring Packing — Wipes the inside of the pump clean, extending life up to 50%
- Rotating Ball Checks — Maximize component life by eliminating wear on a single surface
- Pump lower knocks off using only a hammer for easy repair and maintenance (Hi-Cart only)

Hi-Cart

Stand-Mount

### Zip-Spray 1900 Hi-Cart 233782 (120V), 233936 (240V), Stand-Mount 246649 (120V), 234952 (240V)

Max Working Pressure: 3000 psi (20.7 MPa, 207 bar)  
 Max Delivery Rating: .38 gpm (1.44 lpm)  
 Max Tip Size: .019 in (.483 mm)  
 Max Hose Length: 150/300 ft (45.7/91.4 m) depending on tip size  
 Recommended annual use of 1000 gallons (3785 L)  
 Shipping Weight: Hi-Cart, 76 lbs (34.4 kg); Stand-Mount, 49 lbs (22.2 kg)  
 Extension Cord: 12 ga, Max Length: 50' (15.2 m)  
 Pump Repair Kit: 245525 Stand-Mount  
 Pump Repair Kit: 244194 Hi-Cart

#### Includes:

- 400 Series Contractor Spray Gun with 4-finger trigger
- 517 Uni-Tip with Uni-Tip Hand-Tight Base
- 1/4 in x 50 ft (6.3 mm x 15.2 m), 3300 psi (22.7 MPa, 227 bar) airless paint hose
- Pump Life Protectant Fluid, Packing Seal

## Zip-Spray 2300 Heavy-Duty Electric Airless Sprayer

The Zip-Spray 2300 is perfect for professionals who spray 3-5 times a week for most painting applications.

### Heavy-Duty Piston Pump

- Pump lower knocks off easily for convenient maintenance and repair

### Electronic Pressure Control

- Maintains consistent fan pattern for a better finish

### Totally-Enclosed, Fan-Cooled DC Motor

- Major components are protected from dirt, dust, and overspray
- Run longer extension cords

### Full-Flow Manifold Filter

- Filter screen comes out with the cap for less mess
- Full-flow design flushes completely and cleans up quickly
- Reduces tip clogs and improves finish

### Welded Steel-Chrome Plated Cart

- Features a retractable handle

### Zip-Spray 2300 249159 (120V), 246803 (240V)

Max Working Pressure: 3000 psi (20.7 MPa, 207 bar)  
 Max Delivery Rating: .54 gpm (2.0 lpm)  
 Max Tip Size: .023 in (.787 mm)  
 Max Hose Length: 150/300 ft (45.7/91.4 m) depending on tip size  
 Shipping Weight: 82 lbs (37.2 kg)  
 Extension Cord: 12 ga, Max Length: 100' (30.5 m)  
 Pump Repair Kit: 244194

#### Includes:

- 400 Series Contractor Spray Gun with 4-finger trigger
- 517 Uni-Tip with Uni-Tip Hand-Tight Base
- 1/4 in x 50 ft (6.3 mm x 15.2 m), 3300 psi (22.7 MPa, 227 bar) airless paint hose
- Pump Life Protectant Fluid, Packing Seal

## Zip-Spray 2700 Pro-Duty Electric Airless Sprayer

The Zip-Spray 2700 is designed for professional contractors in many applications, from residential to commercial.

### Heavy-Duty Piston Pump

- Pump lower knocks off easily for convenient maintenance and repair

### Electronic Pressure Control

- Maintains consistent fan pattern for a better finish

### Totally-Enclosed, Fan-Cooled DC Motor

- Major components are protected from dirt, dust, and overspray
- Run longer extension cords

### Full-Flow Manifold Filter

- Filter screen comes out with the cap for less mess
- Full-flow design flushes completely and cleans up quickly
- Reduces tip clogs and improves finish

### Welded Steel-Chrome Plated Cart

- Features a retractable handle

### Zip-Spray 2700 249161 (120V)

Max Working Pressure: 3000 psi (20.7 MPa, 207 bar)  
 Max Delivery Rating: .86 gpm (3.25 lpm)  
 Max Tip Size: 1-Gun .027 in (.686 mm), 2-Gun .017 in (.432 mm)  
 Max Hose Length: 150/300 ft (45.7/91.4 m) depending on tip size  
 Recommended for Professional Painters  
 Shipping Weight: 134 lbs (61 kg)  
 Extension Cord: 12 ga, Max Length: 100' (30.5 m)  
 Pump Repair Kit: 248213

#### Includes:

- 400 Series Contractor Spray Gun with 4-finger trigger
- 517 Uni-Tip with Uni-Tip Hand-Tight Base
- 1/4 in x 50 ft (6.3 mm x 15.2 m), 3300 psi (22.7 MPa, 227 bar) airless paint hose
- Pump Life Protectant Fluid, Packing Seal

## Zip-Spray 3100 Pro-Duty Electric Airless Sprayer

The Zip-Spray 3100 is designed for professional contractors in many applications, from residential to commercial including some block filler and elastomerics.

### Heavy-Duty Piston Pump

- Pump lower knocks off easily for convenient maintenance and repair

### Electronic Pressure Control

- Maintains consistent fan pattern for a better finish

### Totally-Enclosed, Fan-Cooled DC Motor

- Major components are protected from dirt, dust, and overspray
- Run longer extension cords

### Full-Flow Manifold Filter

- Filter screen comes out with the cap for less mess
- Full-flow design flushes completely and cleans up quickly
- Reduces tip clogs and improves finish

### Zip-Spray 3100 249162

Max Working Pressure: 3000 psi (20.7 MPa, 207 bar)  
 Max Delivery Rating: 1.1 gpm (4.17 lpm)  
 Max Tip Size: 1-Gun .031 in (.787 mm), 2-Gun .019 (.483 mm)  
 Max Hose Length: 150/300 ft (45.7/91.4 m) depending on tip size  
 Recommended for Professional Painters  
 Shipping Weight: 154 lbs (70 kg)  
 Extension Cord: 12 ga, Max Length: 100' (30.5 m)  
 Pump Repair Kit: 248213

#### Includes:

- 400 Series Contractor Spray Gun with 4-finger trigger
- 517 Uni-Tip with Uni-Tip Hand-Tight Base
- 1/4 in x 50 ft (6.3 mm x 15.2 m), 3300 psi (22.7 MPa, 227 bar) airless paint hose
- Pump Life Protectant Fluid, Packing Seal

## Zip-Spray 3400G

### Pro-Duty Gas Mechanical Airless Sprayer Complete

The Zip-Spray 3400G is perfect for professional painting contractors who demand high output and portability where electricity is unavailable or inconvenient. Sprays architectural coatings, light block fillers and light elastomers.

#### Full Flow Filter

- Cleans from the inside out
- Reduces tip clogs

#### Electronic Pressure Control

- Provides excellent spray pattern
- Superior spray finish

- Portable power

#### Heavy-Duty Chrome Over Steel Frame

- Rust resistant for long life

#### Drive System

- Heavy-Duty clutch
  - Adjusts and aligns itself for long life
- Hardened gears
  - Durable and quiet operation

#### Heavy-Duty Pump

- Knocks off easily for convenient maintenance
- Long wearing rod

#### Drain Tube

- Safe, durable and built to last

#### Lift Handles

- One person loading and unloading

## Zip-Spray 3400G

Max Working Pressure: 3000 psi (20.7 MPa, 207 bar)  
Max Delivery Rating: 1.15 gpm (4.4 lpm)  
Max Tip Size: 1 Gun .034 in (.863 mm), 2 Gun .021 in (.533 mm)  
Max Hose Length: 150/300 ft (45.7/91.4 m) depending on tip size  
Shipping Weight: 110 lbs (49.9 k)  
Honda 4.0 HP Gasoline Engine  
Pump Repair Kit: 248213

#### Includes:

- 400 Series Contractor Spray Gun with 4-finger trigger
- 517 Uni-Tip with Uni-Tip Hand-Tight Base
- 1/4 in x 50 ft (6.3 mm x 15.2 m), 3300 psi (22.7 MPa, 227 bar) airless paint hose
- Pump Life Protectant Fluid Packing Seal
- Packing Seal Fluid

## Zip-Text™

### Interior Texture Sprayers

You no longer have to carry a compressor, hopper gun, and hose separately. Now you can move all your texture equipment with one hand. Zip-Text is simple to set up, produces a high-quality finish, and reduces overspray for a cleaner jobsite.

- Complete texture system is on a convenient, lightweight cart
- Projects texture up to 4 ft (1.2 m) for high production rates
- Five times the capacity of a standard hopper gun before refill
- Easy to clean – simply flush out the system with water

#### 25 ft (7.6 m) Material/Air Hose

Attached together for more control at the gun

#### Adjustable Material Flow Control

(Zip-Text 1000 only)

- 0-60 psi (0-4.2 bar)
- Controls material flow to the gun

#### Exclusive Graco® RotoFlex™ Pump\*

Delivers smooth, consistent material flow for uniform coverage and pattern

#### 3/4 gal (3 L) Touch-Up Hopper Gun Attachment

Great for quick jobs!

#### 1 HP Oil-less Air Compressor

#### Zip-Text Texture Spray Gun\*

- Air valve and trigger adjustment conveniently located on the gun
- Easily converted to a small hopper gun for small jobs

\*Patent Pending

#### Zip-Text 750 246318

Max Working Pressure: 55 psi (3.8 bar)  
Max Delivery Rating: .75 gpm (2.84 lpm)  
Shipping Weight: 102 lbs (46.2 kg)  
Hopper: 6 gal (22 l)

#### Zip-Text 1000 246319

Max Working Pressure: 60 psi (4.2 bar)  
Max Delivery Rating: 1.0 gpm (3.78 lpm)  
Shipping Weight: 112 lbs (50.8 kg)  
Hopper: 8 gal (30 l)

**RotoFlex Pump Hose**

*Designed for long life, easy maintenance, and quick replacement*

Zip-Text is ideal for interior, residential refinish, repairs, small new construction, and light commercial jobs, and sprays these common texture finishes:

**Orange Peel,  
Fine Splatter**

**Knockdown**

**Splatter**

**Simulated  
Acoustics,  
Popcorn**

### Spray Nozzles & Replacement Parts

#### 234153 Spray Nozzles

Beige, 4 mm — Fine Finish, Orange Peel  
White, 6 mm — Orange Peel, Fine Splatter  
Gray, 8 mm — Splatter, Small to Medium Knockdown  
Black, 12 mm — Acoustics, Large Knockdown, Popcorn

#### 234149 25 ft (7.6 m) Material Air Hose

#### 15C090 Viscosity Ball

#### 234158 RotoFlex Replacement Pump Hose

Recommended replacement after 2000-2500 gallons (7571-9463 L) of gypsum-based material

#### 234159 Gun Repair Kit

#### 234162 Material Hose Plug and Hopper Gun Attachment Plug

#### 234188 Hopper Clamp

## ASM Professional Hopper Gun (including hopper) 246409

Sprays acoustics, drywall mud, waterproofing material, pool deck sealant, stucco, and most gravity-fed materials.

Angled 1-1/2 gallon (5.7 L) hopper allows more material capacity for longer spraying before refills!

#### Gun only 234219

**Exclusive Hopper  
Clamp**

**Zip-Text Texture  
Spray Gun**

## Zip-Clean™

### Direct Drive Pressure Washers

Zip-Clean pressure washers offer innovative features to make your job easier, and reliable components to make you more productive. You'll spend less time on machine set-up with our one-hand hose connection and built-in chemical injector. Use Zip-Clean pressure washers for surface preparation before painting houses, decks, fences, buildings and more.

- Dependable Honda® or Briggs and Stratton® overhead valve engines
- General™ pump with unloader, thermal relief, and over-pressure protection
- Low-profile cart for easy transport; easy to lift
- Double swivel on high pressure hose prevents tangling
- Self-siphoning chemical hose
- Features a steel powder-coated cart, built-in chemical injector, nozzle holder, and gun-hose rack

## Zip-Clean 2525

Perfect for those who need a washer heavy-duty enough to get the job done, without the investment of a commercial-grade model.

- 2500 psi (172 bar) at 2.5 gpm (9.5 lpm)
- 5.0 Honda GC series motor
- Radial axial pump with thermal protection
- 30 ft (9.1 m) hose (Maximum)
- Includes chemical injector and set of 3 nozzles 0°, 15° and 40°
- 1 year limited warranty

## Zip-Clean 2525 246602

2500 psi (17.2 MPa, 172 bar)  
5.0 HP Honda GC series motor

### Includes:

- 30 ft (9.1 m) high pressure hose
- Heavy-duty gun and wand
- 4 color-coded quick-connect spray nozzles  
(3 spray nozzles, 1 chemical injection nozzle)

## 2730 and 3030 Models Include:

- 50 ft (15.2 m) high pressure non-marking hose
- Heavy-duty gun and wand
- 4 color-coded quick-connect spray nozzles (3 spray nozzles, 1 chemical injection nozzle)

## Zip-Clean 2730 245348

2700 psi (18.6 MPa, 186 bar) @ 2.4 gpm (9 lpm)  
6.5 HP Honda OHV Engine

## Zip-Clean 3030 245349

3000 psi (20.6 MPa, 206 bar) @ 3.0 gpm (11 lpm)  
9 HP Honda OHV Engine

### Standard Nozzles (2525)

Part # 244768 \_ Includes: 0°, 15°, 25°, 40°  
Part # 805520 - Includes: Chemical Injector Nozzle (2525 Only)

### Standard Nozzle (2730, 3030)

Part # 244769 \_ Includes: 0°, 15°, 25°, 40°  
Part # 805634 - Includes: Chemical Injector Nozzle (2730 and 3030 Only)

### Rotating Nozzle

Part # 198012

### Oscillating Nozzle (Not Shown)

Part # 198013

### High Pressure Non-Marking Hose

3/8 in x 50 ft (10 mm x 15 m), 3000 psi  
(21.0 MPa, 210 bar) Part # 245416

## Reversible Tip Systems

From state-of-the-art features to our color-coded tip handles, we make spray tips easier to use and select. Plus, we provide the technology to give you durable, reliable equipment that delivers a consistent spray pattern for a variety of materials.

- Patented diffuser allows atomization at lower pressures, reducing tip wear and extending tip life
- Pinned handle resists twisting and breakage

ASM's color-coded tips and corresponding tip selection guide make it simple to select the right tip for your painting application. Follow the steps below for easy tip selection.

### Spray Tip Application Guide

- 1 - Identify the surface you will be spraying
- 2 - Choose your coating
- 3 - Determine your spray pattern width  
[spraying 12 in (30.5 cm) from the surface]
- 4 - Follow chart to tip number

Tip handles are color-coded by orifice (tip hole) size for easy identification on the job site.

### How to Determine Spray Tip Size:

**EXAMPLE:**  
 $\#5 = 1/2 \text{ Fan Width or } 2 \times 5 = 10 \text{ Inch Fan}$

**517**

**#17 Orifice is diameter of opening in thousandths**

### Reversible Tip Application Guide

Surface	Coating	Fan Width In Inches	Grey .009	Red .011	Orange .013	Yellow .015	Blue .017	Green .019	Purple .021	Brown .023	Black .025 +Above	Filter Mesh Color Code

## Uni-Tip™

### Universal Reversible Spray Tips

- The Uni-Tip is universal with major brands, including Titan, SprayTECH, Graco RAC® IV and RAC® 5 and Airlessco. Not compatible with Graco RAC® X™, ASM Super-Zip or Zip-Tip.
- Best quality carbide tip means a superior spray pattern and a longer useable fan pattern life
- The color-coded handle makes it easy to identify the tip size on the job
- Each tip individually tested for consistent fan and orifice size
- One-piece Uni-Tip seal means fewer parts on hand
- Uni-Tip seal is compatible with the full range of paints and solvents
- Pinned Handle resists twisting and breakage
- Part # 69-XXX

### Striping Uni-Tip

- Specifically manufactured to provide crisp, clean edges
- Available in all common striping tip sizes

Part # 69xxxST

### Fine-Finish Uni-Tip

- Double orifice gives greater break-up of fine-finish materials
- Provides the finest atomization and a high-quality finish
- Up to 85% transfer efficiency

Part # 69-FFXXX

### Uni-Tip Hand-Tight Base/Guard

- Virtually eliminates paint buildup and dripping
- Easy no-tools assembly
- Quickly change from horizontal to vertical spray pattern

Part # 248200 – “G” thread is 7/8” (22 mm)

Part # 249303 – “F” thread is 11/16” (17 mm)

### Uni-Tip Seal

- Easily installs without tools!

Part # 248228 (5-pack)

### Standard Uni-Tips (69-XXX)

# AIRLESS ACCESSORIES

## Super-Zip™

### Reversible Spray Tips

- Liquid-honed and double-tested to ensure an accurate spray pattern
- Patented diffusion chamber for superior atomization
- Color-coded tip handles for easy selection
- Reversible to quickly clear tip clogs

Part # 59-xxx

### Striping Super-Zips

- Specifically manufactured to provide crisp, clean edges
- Available in all common striping tip sizes (213, 215, 315, 217, 317, 417, 219, 319, 419, 321, 421, 621, 323, 623, 625, 327, 627)

Part # 59xxxST

### Fine-Finish Super-Zips

- Double orifice gives greater break-up of fine-finish materials
- Provides the finest atomization and a high-quality finish
- Up to 85% transfer efficiency

Part # 59FFXX-XXX

### Super-Zip Hand-Tight Base/Guard

- Hand-Tight Base – no tools required!
- Patented Cartridge Seal is compatible with all materials, will last through multiple tips and is spring-loaded for easy tip insertion and removal
- Patented safety tab design locks for safe tip reversing when unclogging tip
- Available to fit all makes of guns

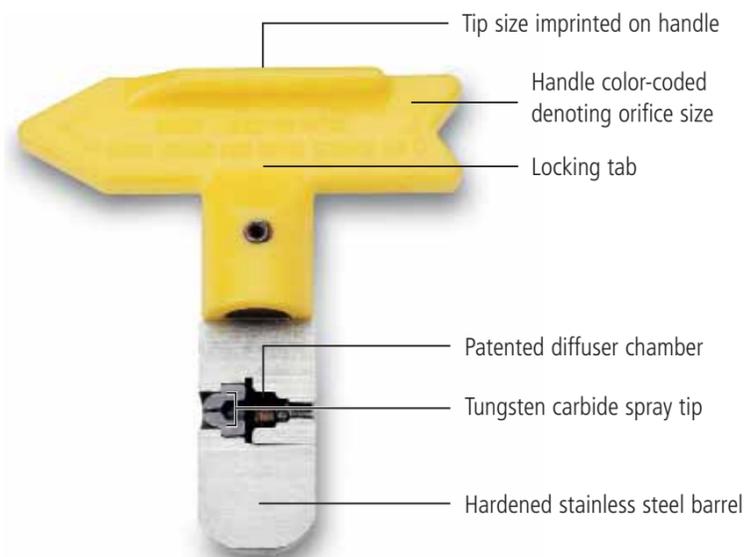

Part # 5901-F Fits "F" thread size - 11/16 in (17 mm)

Part # 5901-G Fits "G" thread size - 7/8 in (22 mm)

### Super-Zip Cartridge Seals

- Replace Cartridge Seals quickly, without tools
- No loose gaskets

Part # 5907 Hand-Tight Cartridge Seal

## Flat Tip Systems

### Fine-Finish Flat Tips

Airless spraying of fine-finish materials requires greater break-up than non-fine-finish materials. With our Double Orifice Fine-Finish System, you can select a pre-orifice and a spray orifice to make a customized fine-finish tip. It is recommended that you select a spray orifice two thousandths larger than the pre-orifice.

- Pre-orifice is color-coded by orifice size
- Spray orifice is color-coded by orifice size
- Pre-orifice fits into spray orifice hand-tight without tools
- Full selection of sizes for all applications

Part # 96-xx-xxx (Includes pre-orifice and spray orifice)  
 Pre-orifice available in sizes .007-.019  
 Spray orifice available in sizes .009-.021, Fan Widths 2-12 in (51-305 mm)

Part # 96-xxx Pre-orifice, available in sizes .007-.040  
 Part # 96-xxx Spray orifice available in sizes .009-.021, Fan Widths 2-12 in (51-305 mm)

### Fine-Finish Flat Tip Base/Guard

- Hand-Tight; requires no tools
  - Flat Tip Bases are universal and fit all makes of guns
- Part # 9601-F Fits "F" thread size - 11/16 in (17 mm)  
 Part # 9601-G Fits "G" thread size - 7/8 in (22 mm)

### Flat Tip-n-Gasket System

- Gasket is permanently attached to flat tip
  - Gaskets are color-coded for accurate tip selection
  - Flat Tips are universal and fit all makes of Flat Tip Bases
- Part # 93-xxx

Flat Tip-n-Gasket

### Standard Flat Tips

- Flat Tips are universal and fit all makes of Flat Tip Bases
- Part # 90-xxx  
 (Available in all Super-Zip sizes. See chart on page 12.)

### Flat Tip Base/Guard

- Flat Tip Bases are universal and are available to fit all makes of guns
  - Accommodates Flat Tip-n-Gasket (93-xxx) and Standard Flat Tips (90-xxx)
- Part # 420-F Fits "F" thread size - 11/16 in (17 mm)  
 Part # 420-G Fits "G" thread size - 7/8 in (22 mm)
- Separate tip gasket available in tubes of eight (8)
- Part # 401-8

## 400 Series Professional Airless Spray Gun

- Improved! Life of the 400 Series gun before repair is equal to or better than that of competitive guns.
- Heavy-duty swivel allows easy gun movement
- Anodized body resists corrosion
- Split handle for easy access to filter
- Includes 517 tip
- Available with "F" and "G" diffusers to match all systems
- 3600 psi (25.0 MPa, 250 bar) rating
- 1-year limited warranty

Part # 248240            2-Finger Gun with Uni-Tip ("G" thread only)  
 Part # 456-SF, 456-SG    2-Finger Gun with Super-Zip  
 Part # 248239            4-Finger Gun with Uni-Tip ("G" thread only)  
 Part # 451-SF, 451-SG    4-Finger Gun with Super-Zip

## 300 Series Contractor Airless Spray Gun

- Improved! New needle design for reduced spitting and long life
- Includes 517 tip
- Available with "F" and "G" diffusers to match all systems
- 3600 psi (25.0 MPa, 250 bar) rating
- 1-year limited warranty

Part # 248238            2-Finger Gun with Uni-Tip ("G" thread only)  
 Part # 356-SF, 356-SG    2-Finger Gun with Super-Zip  
 Part # 248237            4-Finger Gun with Uni-Tip ("G" thread only)  
 Part # 351-SF, 351-SG    4-Finger Gun with Super-Zip

## 200 Series Airless Spray Gun

- Easy-access in-handle paint filter reduces tip clogging and improves finish
- Comfortable 4-finger trigger
- Includes xxx tip
- Ideal for small projects

Part # 251-U            4-Finger Gun with Uni-Tip  
 Part # 251-SG        4-Finger Gun with Super-Zip Tip

## Gun Filters – 2-Pack

- Stainless steel mesh to eliminate rust

### 200 Series

Part # 248677        60 Mesh & 100 Mesh (1 ea.)

### 300 & 400 Series

Part # 4435-2	Extra Fine 200 Mesh	Red for varnishes and lacquers
Part # 4434-2	Fine 100 Mesh	Yellow for enamels and stains
Part # 4433-2	Medium 50 Mesh	White for latex paints
Part # 4436-2	Coarse 30 Mesh	Green for heavy-bodied paints

## Gun Repair Kits

- Includes Ball Valve Plunger Assembly and Diffuser

Part # 4427-F and # 4427-G for 400 Series gun

Part # 3027-F and # 3027-G for 300 Series gun

Note: 400 Series Gun Repair Kits may be used in 300 Series Guns.

## "F" to "G" Adapter

- Converts 11/16 in (17 mm) "F" Thread to 7/8 in (22 mm) "G" Thread

Part # 248248

## Combo Gun

- Well-balanced, lightweight, comfortable handle and trigger
- In-handle gun filter and internal trigger lock
- Add a Mini Pole or Maxi Pole for extra reach
- Available with "F" and "G" diffusers to match all systems
- Repair kit: 6727-F, 6727-G

Part # 248241 with 517 Uni-Tip and Uni-Tip Hand-Tight Base ("G" thread only)  
 Part # 6700-SF, 6700-SG with 517 Super-Zip and Super-Zip Hand-Tight Base

## Mini Poles

- Durable stainless steel construction for rust resistance
- Hand-Tight system allows for easy attachment to gun, without tools
- Two or more poles can be combined for extended reach
- Available in 3 lengths and "F" and "G" thread sizes to fit all guns
- For spraying ceilings, overhangs, floors, and decks

	3400 Series		3500 Series*

 6 ft (182.9 cm) Part # 7406-SF # 7406-SG

## AngleHead™

- In-line AngleHead Swivel provides accurate spraying at any height or angle
- Swivels to 90° (shown) for easy spraying of challenging areas

Part # 7506A ("F" thread), #7506AG ("G" thread) no base included

Part # 248247 with Uni-Tip Hand-Tight Base ("G" thread only)

Part # 7506-SF with Super-Zip Hand-Tight Base

Part # 7506-SG with Super-Zip Hand-Tight Base

Part # 7551-G Pole Gun Adapter

Part # 7551-F Pole Gun Adapter

**0° to 90° (90° Shown)**

# AIRLESS ACCESSORIES

## Zip-Roll Pressure Roller

The Zip-Roll pressure roller provides smooth, continuous delivery of paint to all types of surfaces. Just trigger gun to release paint to roller. Pressure rolling is 4 times faster than standard rolling!

- Extends reach — no need for a ladder
- Chrome-plated stainless steel frame provides rust resistance and eliminates streaking
- Convenient Zip-Clip™ holds roller cover securely on frame and quickly releases for easy cleanup
- Hand-Tight system for easy assembly — no tools required
- Few parts for quicker cleaning time

Zip-Roll Frame Only

### Zip-Roll Pressure Roller (Includes Combo Gun)

3 ft

6 ft

Wrench-Tight	Part # 970309*
Hand-Tight	Part # 980309*
Zip-Roll Frame only	Part # 244278

Part # 970609*
Part # 980609*

\*Add -SG to the end of these part numbers for "G" thread.

## Zip-Roll Pressure Roller

Attaches to gun that comes with units.

Part # 287713

Includes: 45° gun, adapter, 24 in. (61 cm) extension, 9 in (23 cm) roller frame & 1/2" (13 cm) nap cover

Fitting Only

## 45° Swivel Fitting

To be used between the gun and Heavy-Duty Extension for pressure rolling.

Part # 239531 Fitting

Part # 166969 Gasket

Part # 114049 "O" Ring

3 parts must be ordered separately.

## Zip-Roll Pressure Roller Covers

High-quality, all-purpose pressure roller covers. Available in a variety of naps.

• Smooth Surfaces	9 in x 3/8 in (23 cm x .95 cm)	Part # 7721
• Semi-Smooth Surfaces	9 in x 1/2 in (23 cm x 1.27 cm)	Part # 7722
• Medium Surfaces	9 in x 3/4 in (23 cm x 1.90 cm)	Part # 7723
• Rough Surfaces	9 in x 1 1/4 in (23 cm x 3.18 cm)	Part # 7724

## Pressure rolling is 4x faster than standard rolling!\*

Pressure rolling saves valuable time while producing a professional quality finish!

- Less splatter
- Light weight
- No dripping roller, less mess
- Reduce's trips up and down ladder to fill roller

\*Based on research done by Painting & Decorating Contractors of America (PDCA), an association of painting contractors and related industry professionals.

## Airless Hose

- 3300 psi (22.7 MPa, 227 bar) rating
- Swivel couplers and spring guards on both ends
- Can be coupled with other airless hose

Part # HSE1450 50 ft (15.2 m) x 1/4 in (6.4 mm)  
 Part # HSE3850 50 ft (15.2 m) x 3/8 in (9.5 mm)  
 Part # 245449 25 ft (7.6 m) x 1/4 in (6.4 mm)

## Whip Hose

- Whip Hoses add flexibility and reduce operator fatigue

Part # HSE3163 3 ft (0.9 m) x 3/16 in (4.8 mm)  
 Part # HSE3165 5 ft (1.5 m) x 3/16 in (4.8 mm)

## Gun Hose Kits

400 Series Professional Gun with Uni-Tip, Uni-Tip Hand-Tight Base, and 1/4 in (6.4 mm) x 50 ft (15.2 m) Airless Hose

Part # 248249 (4-Finger) Part # 248250 (2-Finger) ("G" thread only)

400 Series Professional Gun with Super-Zip, Hand-Tight Base and 1/4 in (6.4 mm) x 50 ft (15.2 m) Airless Hose

Part # 451-SHF, 451-SHG (4-Finger) Part # 456-SHF, 456-SHG (2-Finger)

300 Series Contractor Gun with Super-Zip, Hand-Tight Base and 1/4 in (6.4 mm) x 50 ft (15.2 m) Airless Hose

Part # 351-SHF, 351-SHG (4-Finger) Part # 356-SHF, 356-SHG (2-Finger)

## Hose Connectors (Wrench Tight)

Part # 4410 3/8" (npt) x 3/8" (npt)  
 Part # 4413 1/4" (np) x 1/4" (npt) Hex Nipple  
 Part # 4414 1/4" (npt) x 3/8" (npt)

## Fluids

ASM fluids and protectants keep your equipment in top performing condition. ASM fluids are approved for use in all airless pumps.

### Pump Life™

- Concentrate protects the pump and related equipment from corrosion and rust
- Keeps foreign material in suspension, ready to rinse out when cleaning sprayer

Part # 245423 (32 oz, 946 ml; Available in multiples of 12)

### Pump Defender™

- Specially formulated to protect airless pumps during long-term storage, freeze protection to -30° F (-34° C)
- Eliminates damage due to corrosion
- Lubricates and cleans to help stop sticking valve seats

Part # 245424 (32 oz, 946 ml; Available in multiples of 12)

### Packing Seal

- Prevents coating material from adhering to the pump's piston rod
- Prolongs pump packing life in all brands of piston pumps

Part # 245427 (8 oz, 237 ml; Available in multiples of 12)

Part # 245428 (32 oz, 946 ml; Available in multiples of 12)

### Hydraulic Fluid

- Non-foaming formula
- Resists emulsifying and chemical breakdown

Part # 245425 (32 oz, 946 ml; Available in multiples of 12)

Part # 245426 (1 gal, 3.8 L; Available in multiples of 4)

### Gun Lube

- For lubrication and protection
- Contains no silicone and is not petroleum-based

Part # 245429 (2 oz, 56.7 g; Available in multiples of 24)

### Pressure Washer Pump Oil

- Formulated premium pump oil for most pressure washers
- Includes anti-wear oxidizer and rust inhibitor additives

Part # 245431 (32 oz, 946 ml; Available in multiples of 12)
